

## MAP OF EUROPE IN WWI

Prior to the First World War, certain countries formed alliances as a way of protecting themselves from attack. During the First World War these alliances changed shape according to national interest!

1) Complete the following tasks . . .

- A) Label and colour the members of the **Allies** after the outbreak of war in 1914.
- B) Label and colour the members of the **Central Powers** after the outbreak of war in 1914.
- C) Label and colour **Belgium**.

Done!
